**POLICY DOCUMENT ON THE GREEN CAMPUS**

**PREAMBLE**

Environment friendly practices of the Institution are unsurpassable. Crowded with trees and plants, the campus is a real treat to one's eyes. Celebrating nature's gift has always been our way of life. The institution works towards responsible living by contributing a little towards what we get in abundance from Mother Nature. Institution spreads its tentacles in developing a green campus and disseminates the eco-friendly culture to the nearby community through various programs and events.

**OBJECTIVES**

- Extend the green cover inside and outside the campus
- Observe 'Clean Green Day'
- Make SFRCians' Eco-sensitive by creating awareness programs and events
- Enlighten the community on the damaging effects of environment exploitation
- Engage in activities to reduce the usage of plastics and other environmental hazards
- Maintain gardens inside the campus through students
- Expand the Herbal Garden to restore our Ayurvedic wealth
- Harvest rain water efficiently
- Adopt methods for waste segregation.
- Manage, collect and dispose e-waste
- Direct waste collected inside the campus to municipality and other organizations.
- Reuse one side papers to minimize paper usage
- Display waste management, plastic usage and food conservation instruction boards.
- Motivate usage of bicycle, public transport and battery operated vehicle
- Produce organic compost inside the campus

The Institution continues to work keeping in mind the objectives mentioned above through various initiatives to maintain the 'Green Heaven'
