S.F.R. College Alumnae Association
Consolidated Report on the Alumnae Feedback - 2023-2024

The Consolidated Alumnae feedback report summarizes the responses provided by the alumnae on the Curriculum Relevance, Quality of Teaching, Academic Resources, Infrastructure and facilities, Outcome-Based Education and, Job oriented / Self Employment Courses and on the Placement opportunities . The perspectives shared in this report are based on the experiences of former students who have reflected on the strengths and areas for improvement within the college. The objective of this report is to offer constructive insights that can guide future enhancements to ensure the college continues to provide a high-quality educational experience.

Communicative English helps to build better inter-relationship in the work place.

Our curriculum incorporates communication and soft skills to ensure students to receive a well-rounded education. We create an environment that actively supports the development of strong communication abilities, preparing students for academic, professional, and social success. This is further validated by positive feedback from our alumnae.

Communicative English helps to build better inter-relationship in the work place

Response	Percentage
Strongly Agree	53.82
Agree	43.39
Partially Agree	2.61
Disagree	0.19

Content of the curriculum is career oriented and inculcates Entrepreneurship.

Embedding entrepreneurship into the curriculum is a strategic approach to preparing students for the dynamic demands of the modern world. As part of this effort, we offer job-oriented and skill-enhancement courses. Students also gain hands-on experience through internships with local businesses and startups. These initiatives are designed to equip students with the skills and mindset required to excel in the entrepreneurial landscape. Our alumnae affirm that our curriculum is effectively geared towards career development and entrepreneurship.

Curriculum is Outcome based and all expected Course Outcomes and Programme Outcomes are attained.

Outcome-Based Education enhances the overall quality of education, improves student learning outcomes, and better prepares students for real-world challenges. This approach promotes a more deliberate and goal-oriented method of teaching and learning. The primary aim is to introduce students to diverse career options and entrepreneurial opportunities while cultivating the skills essential for both employability and entrepreneurship. Our alumnae also affirm that our curriculum is outcome-focused, with all course and program outcomes effectively met.

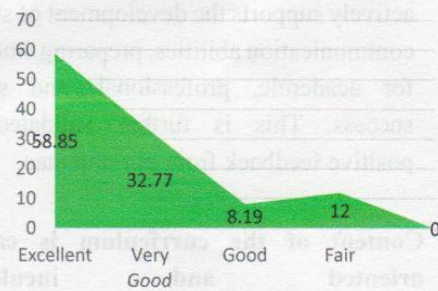

CURRICULUM IS OUTCOME BASED AND ALL EXPECTED COURSE OUTCOMES AND PROGRAMME OUTCOMES ARE ATTAINED.

Educational resources available in the college are –

Our institution provides extensive educational resources to students, including a well-stocked library with a wide selection of books, journals, magazines, newspapers, and various online sources. Our alumnae appreciate the abundance of educational resources available at our college.

Educational resources available in the college

Elective courses provide basic knowledge about other disciplines.

Elective and non-major elective courses are part of both the undergraduate and postgraduate curricula. These courses allow students to expand their knowledge beyond their core discipline, broadening their horizons. Alumnae feedback also highlights the value of these elective courses.

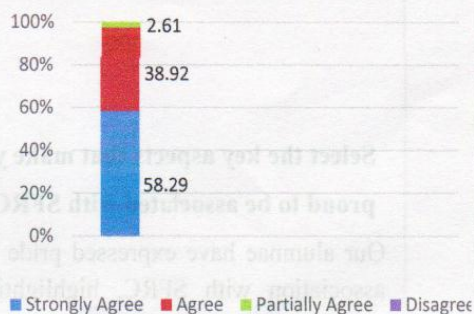

Elective courses provide basic knowledge about other disciplines

Job oriented / Self Employment Courses gear up the students towards their career.

Final-year undergraduate students can select from a diverse selection of 21 job-oriented or self-employment courses offered by different departments. These courses are designed to sharpen employability skills and increase awareness of various career opportunities. Alumnae consistently emphasize the value and importance of these job-oriented and self-employment courses.

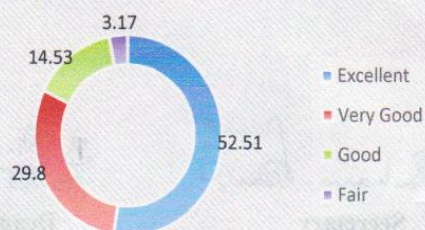

Job oriented / Self Employment Courses gear up the students towards their career.

Placement opportunities in the college are-

Our Institution provides extensive opportunities for students to gain hands-on experience through campus drives, internships, career counseling, and funded projects. Alumnae feedback also highlights the commitment of our institution to providing excellent placement opportunities for our students.
