## About the College

The Standard Fireworks Rajaratnam College for Women, Sivakasi started functioning in the year 1968. As an institution of higher education for women with 56 years of expertise in education, the institution aims at instilling in rural women a thirst for knowledge, the fervor to preserve the tradition and culture of India, cherish the ethical and spiritual values and uphold a life of purity and discipline. The NAAC crowned SFRC with five star status in 2002 and with A+ grade in the fourth cycle of Accreditation in 2021. The institution renders dedicated service to the less privileged sections of the rural community.

## About the Department

Established in 1993, the Department of Computer Applications offers Bachelor of Computer Applications (BCA) and Master of Computer Applications (MCA) programs. The MCA programme is approved by the All India Council for Technical Education (AICTE), New Delhi. The department has earned recognition in the 'Directory of Best Practices' for the years 2003 and 2004, as per the proforma submitted to AICTE. Our department comprises 11 faculty members and features a well-equipped computer lab with 151 state-of-the-art nodes. The success rate of our students typically ranges between 90% and 100%. Our alumni have secured positions in leading IT firms and banking sectors such as TCS, Accenture, Infosys, TMB and ILM.

## About the Conference

The International Conference on "Artificial Intelligence and Cloud" - 2025 (Hybrid) aims to bring together leading academic scientists, researchers, and scholars to explore the transformative potential of Artificial Intelligence (AI) and Cloud Computing. The convergence of these two groundbreaking technologies is unlocking new possibilities, from creating smarter services and predictive systems to enhancing operational agility and accelerating digital transformation worldwide. Together, AI and the Cloud are revolutionizing how we interact with technology and tackle complex challenges.
